Together, we can build a safer sector

The **Ethiopia Hub** is part of the **Safeguarding Resource and Support Hub (RSH)** but designed to support smaller, local organisations working in the humanitarian and development sector in Ethiopia. We have a National Associate based in Addis Ababa who runs the Ethiopia Hub and makes sure the Hub is contextually relevant.

What does the Ethiopia Hub do?

-  A series of **webinars** and **podcasts** on key safeguarding topics
-  Six-month mentorship schemes for civil society organisations (CSOs) in Ethiopia
-  Quarterly newsletters in English and Amharic, select resources in Amharic, Afaan Oromo, Tigrigna and Somali
-  A free Ask an Expert service where you can ask safeguarding queries

How does Ask an Expert work?

1. Email us at askanexpert@rshub.org.uk
2. Describe what you need our help with. Questions must be related to safeguarding and SEAH but cannot be for a funding proposal
3. We will match you with a safeguarding expert. We offer up to 3 days of expert time in calls, emails and reviewing materials.

Ask an Expert is a **free** and **confidential** advice service for any CSO based in Ethiopia. No question is too big or small to ask.

Safeguarding Resource and Support Hub

The [Safeguarding Resource and Support Hub \(RSH\)](#) supports organisations in the humanitarian and development sectors to strengthen their safeguarding policy and practice against Sexual Exploitation, Abuse and Sexual Harassment (SEAH).

By offering a wide range of free tools, training and advice in over 10 languages, RSH enables people and organisations to reduce the risk of harm.

Our platform is open access, but we prioritise the needs of smaller civil society organisations.
